Re: Possible Delay's in the transport of Rosalind Franklin Bloods

Dear Colleague,

Due to the on-going situation with the Covid-19 pandemic, there may be delays to the international shipment of Rosalind Franklin bloods (Chicago Bloods) to the USA.

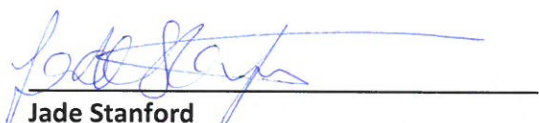

We would advise you to ensure that these bloods arrive to Medlab Pathology before 12pm every Tuesday.

As this is an ever moving situation please be aware that this advice could change at short notice.

If you would like additional information regarding this test please do not hesitate to contact us on 1800 303 349 or email us at info@medlabpathology.ie.

Please do not hesitate to contact me with any further queries you may have.

Kind regards,

Jade Stanford
