**Re: Suspension of Co-Testing (Cytology & HPV) Services until Further Notice**

Dear Colleague,

Due to the current Coronavirus outbreak MedLab Pathology will be suspending all of its Co-Testing services from 1<sup>st</sup> May 2020 until further notice. This measure has been taken in line with the pause to cervical screening announced by the National Cervical Screening Program as measures to stop the spread of COVID-19.

After 30<sup>th</sup> April 2020 any Co-Test (ThinPrep) samples received in MedLab Pathology will be returned to you as unfortunately we will not be able to process these samples. We apologise for the inconvenience and disruption this may cause to you and your patients.

Should you have any queries please feel free to contact us on 1800 303 349 or email [customersupport@medlabpathology.ie](mailto:customersupport@medlabpathology.ie)
